

Assessment Management System for Maties CS: Anticipated Expenses

Michael Shepherd, 19059019

September 25, 2019

1 Anticipated Expenses

The project is an honours project that will have no direct expenses and is not associated with any internal or external funding. The only monetary expense that will be associated with this project will be the study fees of me, Michael Shepherd. All of these expenses will be covered in full by Shaun Shepherd, who can be contacted at Shaun@ilanga-is.co.za.
